AFTERNOONS 2:30-3:25; in case of weather or other schedule change, check www.anunworthyservant.com for cancellations and schedule**

The Pokémon Trading Card Game (Japanese: ポケモンカードゲーム, *Pokémon Card Game*), often abbreviated as **Pokémon TCG** or just **TCG**, is a tabletop game that involves collecting, trading & playing with Pokémon themed playing cards. The game welcomes anyone age 6+. It utilizes strategy in deck building & play, as well as a keen use of probability & quick mathematics.

The Pokémon Club is meeting several times throughout the month to accommodate differing schedules. The game format will follow the Pokémon TCG Expanded Format. **Note: this particular club is NOT for the video game play, nor Pokémon Go.**

You DO NOT have to be an advanced player to join, as there will be some instruction & informational times. Different levels of matches will also be available. You DO NOT have to own cards or a deck to play, as there will materials provided, as needed. You ARE welcome to bring your materials, as well. *You must have received an invitation to join, but everyone is welcome.*

- *Just see Mr. Stansberry if you want an invitation to join, or any student who may have one to give out.*
- *There is a yearly **\$15 fee** for club materials & to receive membership benefits.*
